---

In G.O. No.1101 Ms. Gov. dated 10th inst. Government has placed to the credit of the Colonial Development and Welfare Funds sufficient to meet the salary and overseas allowances of the Overseer for the special staff which was to exist until the end of March, 1948, i.e. for nine months. As the overseas allowance is not admissible to officers on local service candidates must be selected from those already serving in the Territory. I request that a suitable officer may be detailed to the post of Overseer at the earliest possible date.

2. I also wish to draw attention to the urgent need for the reconstruction of the Jerrycan store at Dar-es-Salaam. As this building is unsuitable for the storage of kerosene, I request that the matter may be treated as urgent.

The existing policy of the Government is not to reemploy retired Govt. servants unless there are very exceptional grounds for doing so. Each case of re-employment is sanctioned by the Government after circulating the case to H.P.M. and H.M.(Finance). The words 'including retired personnel' in the draft order may therefore be deleted. It may be left to the
